7 The arrangement was reported to be unsatisfactory & in G O dated 29 Jan^{y} 1910, one of the members of the staff was appointed warden with free quarters but with no further allowance

The file connected with that order [Edn 418-08 Part B for Jan^{y} 1910] contains a full discussion of the question of an allowance to the warden - Reference is particularly invited to pages 23, 24, 25, 36, 37, 53 & 55, in which the question of an allowance to the warden in addition to free quarters is considered

8 In ~~Feb~~ left 1910 Mr Tait again raised the question of the warden's allowance but Govt declined to reconsider the order of ~~Feb~~ 1910 (See Edn File 109-10 Part B for Nov 1910)

9 Mr Tait has now again pressed the question of an allowance. It is understood that there have been several changes in the wardenship no one member of the staff caring to stick to the appointment for any length of time ~~in the absence of~~

a few days ago (on the 8th Inst. I believe), the Dewan was inclined to consider the recommendation favourably -

The allowance suggested is 50 Rs p.m.

The allowance was deliberately removed some time ago. If it is to be renewed, I am not sure that this would be the best arrangement. The last Supt. Warden did not get on well partly because he was not the proper man & partly because Mr. Gant did not like him. If we get a better man (e.g. a retired Officer of sufficient status & experience) it may be better to have a full time Warden.

13 In any case, I think that the appointment should be made

Submitted to His Highness

Peshcush for disposal

In connection with the work of the Central College, Bangalore, Mr Tait, the Principal, has made a strong representation that the Warden of the College Hostel - who will be a member of the College Staff - should, in addition to the free quarters provided for him, be entitled to an allowance of Rs 50 per mensem

2 From 1901 up to about 1910 the hostel was looked after by a full time Warden on Rs 100 per mensem, who was not a member of the teaching staff of the College

M

3 The arrargement was reported to be unsatisfactory especially in respect of the maintenance of proper discipline among the boarders and in a Government Order dated 29th January 1910, it was directed that a member of the teaching staff of the College should be Warden of the hostel and that he should be entitled to free quarters but should get no further allowance

Collector W Secrl

4 In September 1910 Mr Tait again pressed the question of granting an allowance to the Warden but Government declined to reconsider the order of January 1910

5 The arrangement has been in existence for over 3 years and it is understood from Mr Tait that it is not a success and that no one will hold the appointment continuously

6 I am of opinion that an allowance of Rs 50 per mensem is quite necessary as otherwise it

would not be possible to attract suitable men for the post The First Councillor acquiesces in this proposal and suggests that the Warden should be appointed with the approval of Government in each case

7 The Finarcial Secretary agrees to the grant of the allowance,provided the charge is met by reappropriation within the Education budget

8 A new Warden has been appointed vith effect from the 10th July 1913 and the change may be brought into effect from that date

9 A draft order on these lines is appended

10 The proposals may be graciously approved

Another matter I mentioned is the necessity of restoring the allowance to a member of the College staff for holding the office of Warden of the Hostel I made a recommendation on this point in the middle of February, on a reference from the Educational Committee of the Economic Conference The Committee asked how the hostel might be improved, and I replied that the first and most pressing requirement was an allowance for the Warden No one will hold the post for any time There have been 5 Wardens in the last 5 years - - There is a good deal of work to be done, and the Warden ought to be paid for doing it
